Edition - ArtID

Special instructions – In this case, I used an image from the legendary Italian movie "Cosi fan tutte", printed it down, I retouched it by hand and then I reworked it performing a digital transformation. You can see the draft below on the left, (sometimes the fact that the draft is poorly defined/rancid gives more texture to the digital transformation, as in this case). I named the file Trail of Tears on paper. The digital transformation on the right below, named Trail of Tears Digital. The physical piece is 22 LENGHT (CM) and 15 HEIGHT (CM), I sell the two files digitally certificated by ArtID in pairing with the paper copy.
