### About the Author:

Barbara Pirovano grows in a lively and stimulating family environment that offers her the opportunity to accumulate a vast cultural and artistic background. After attending the Art School, he decided to follow in his father's footsteps and enrolled in the European Institute of Design in Milan where he specialized in photography.

His professional adventure began in the family studio where he collaborated with his father Alberto

Tireless traveler looks at the world through the lens, staring forever in unique

images, faces, environments, landscapes or situations that taken from particular angles allow her to express her point of view.

Contemporary alchemist, he represents transparencies, lights and projections in his works, arousing sensations and emotions that change adapting to the contemporary.
