INFINITE INTELLIGENCE IS THE FORCE THAT GIVES ORDER AND ORIGIN TO EVERYTHING IN THE ENTIRE UNIVERSE. IT IS THE PRIME SOURCE, THE FIRST CAUSE OF EVERYTHING THAT COMES INTO EXISTENCE.

FURTHERMORE, YOU, THE INDIVIDUAL ARE A PRECISE EXPRESSION OF THIS FORCE. AS SUCH, YOU HAVE NO LIMITATIONS EXCEPT THOSE ACCEPTED OR DELIBERATELY SET UP IN YOUR OWN MIND. ADDITIONALLY, ALL THAT IS NEEDED TO ACCESS THIS CREATIVE POWER IS ABSOLUTE BELIEF, TOTAL APPLIED FAITH, AND UNWAVERING PERSISTENCE.

About the Author:

Patricia Ariane lives and works in São Paulo, Brazil. Her artistic practice can be described as the pictorial representation of her daily extrasensory perceptions combined with the use of flat color and influences of movements such as Figurativism, Abstract Expressionism and Pop Art.

Each completed artwork is the result of a initial thought, developed through an unrecognized physical sense, intuition. Being each intuitive thought non-verbal, painting becomes the communication mediator for an experience of cyclical transfer between author and viewer. The artist's fanciful perspectives carry a

sweeping impulse, where the artist hopes to convey a little of herself and embrace some of the other through the act of contemplation.

Such act becomes a bridge for an amplified collective conscious space, where the artist's intuitive creations expands by connecting the subconscious of the artist with the subconscious of the viewer, giving birth to what the artists call "the creative imagination" and making the content of the work a field of limitless possibilities

Her works of art are present in private collections around the world, in countries like Denmark, Sweden, Switzerland, Canada and the United States.
